## EXPERIENCE

### **Rapidboost Marketing ( 2017 - Present )** UI UX, Graphics and Video Editor

I specialize in making digital experiences intuitive, crafting visually appealing graphics, and producing engaging videos to meet the needs of my clients.

### **Vinculum Solutions ( 2016-2017 )** Graphic and Web Designer

My expertise lies in combining aesthetic appeal with functionality to effectively communicate my clients' messages and enhance their online presence.

### **IT Mind Map ( 2013 - 2016 )** Graphic and Web Designer

From designing logos and marketing materials to crafting responsive and engaging websites, I strive to deliver high-quality designs that leave a lasting impression and drive results for my clients' businesses.

### **Case Extraminds Edusocial ( 2011 - 2013 )** Graphic Designer

With a keen eye for detail and a passion for design, I strive to deliver innovative solutions that leave a lasting impact and resonate with audiences.
